

# Fall 2015 membership meeting

All members are encouraged to attend the general membership meeting of the Lavaca County Wildlife Management Association (LCWMA) on Sunday, September 20, 2015. Doors will open at 10:00 a.m. and the general meeting will get underway around 11:00 with a presentation by guest speakers, Adrian and Laura Berg of Crossbone Corns entitled "Snakes of Texas". The presentation will feature **LIVE** snakes, native to Lavaca County, and will discuss snake identification as well as their importance to the local ecosystem. They will also demonstrate how to safely capture and relocate a live snake. In addition, they will share techniques that will enable you to safely cohabit your land, with these interesting and often vilified animals.

Following the snake presentation a catered meal will be served. Members are asked to bring their favorite dessert to share with everyone. After lunch, Doug Jobes, Texas Parks and Wildlife biologist for Lavaca County, will review the herd composition data, and discuss harvest recommendations for the upcoming season. After Doug, Joel Wagner, LCWMA chairman, will give an update on the LCWMA. Raffle drawings will follow and the meeting will adjourn.

The Board of Directors has put together an impressive suite of prizes for the bucket raffle. There will be something for everyone; hunters, wildlife enthusiasts, and fishermen alike. In addition to the bucket raffles held at the meeting, a special raffle is being conducted to offset the cost of the meeting. Only 1000 tickets will be sold, and tickets can be purchased at the meeting.

So, make plans now to join your fellow LCWMA members on Sunday, September 20, 2015 at the Knights of Columbus Hall (321 US HWY 77 S) in Hallettsville for the Fall 2015 membership meeting of the LCWMA. We hope to see all of you there.
